

● Arjun - My Voice

[calm] [menacing] I know where you sleep.

[scared] Sir, please... [gulps] I didn't have a choice.

[nervous] [stammering] I... I know where you... sleep.

[terrified] [begging] ¡Por favor, yo no fui!

[shouting] तू जानता नहीं मैं कौन हूँ!

[screams]

[laughs menacingly] Я знаю, где ты спишь.

[crying] Please... please, I'm begging you. [sobs]
Just let me go home.

[exhausted] I only said what I was told.

[short pause] You did.

[deadpan] You asked for one.
